For fall 2022, Foundations of Family

Engagement is all about **teachers!** Enroll now for a course to build your knowledge and skills for effective family engagement. The course will be delivered in 3 learning blocks through a flipped instructional model. For each block, you will first individually complete an online module to build your background knowledge related to family engagement. Then, you will join a synchronous online workshop session to apply knowledge to your classrooms. The process will repeat for the next two learning blocks. Start the year strong with a plan for family engagement!

Full participation in the course schedule is required to progress through the course and receive a certificate of completion.
