WELCOME

Not long ago, our students were in our classrooms thinking about spring break, proms and graduations. Today, our schools are closed as our state, and our nation, work together to slow down a pandemic that has changed all of our lives.

This Remote Learning Plan outlines how Cincinnati Public Schools will continue to educate students while our classrooms are closed. Education in Cincinnati Public Schools will be different, but it *will* continue. Thank you for trusting your child's educational journey to us.
