Your potential. Our mission.

Partnering with Families to Support At-Home Learning Through Navigating Technology

Presenters:
Tim Latta & Krista Miller

Use the Chat Box
throughout the
presentation to send
us your questions or
feedback!

Learning Targets:

- Understand onboarding process for families to Metro Tech Applications
- Build capacity to implement in your district/school/community

A G E N D A

Context: Who We Are

Onboarding Students & Families

Virtual Engagement Opportunities

Tech Bootcamp

A Place for All Students

- STEM schools enroll students from all over the state of Ohio
- 50% of the population must come from the largest school district in the area
- Academic performance is not a criteria for admission
- Educating students with learning differences

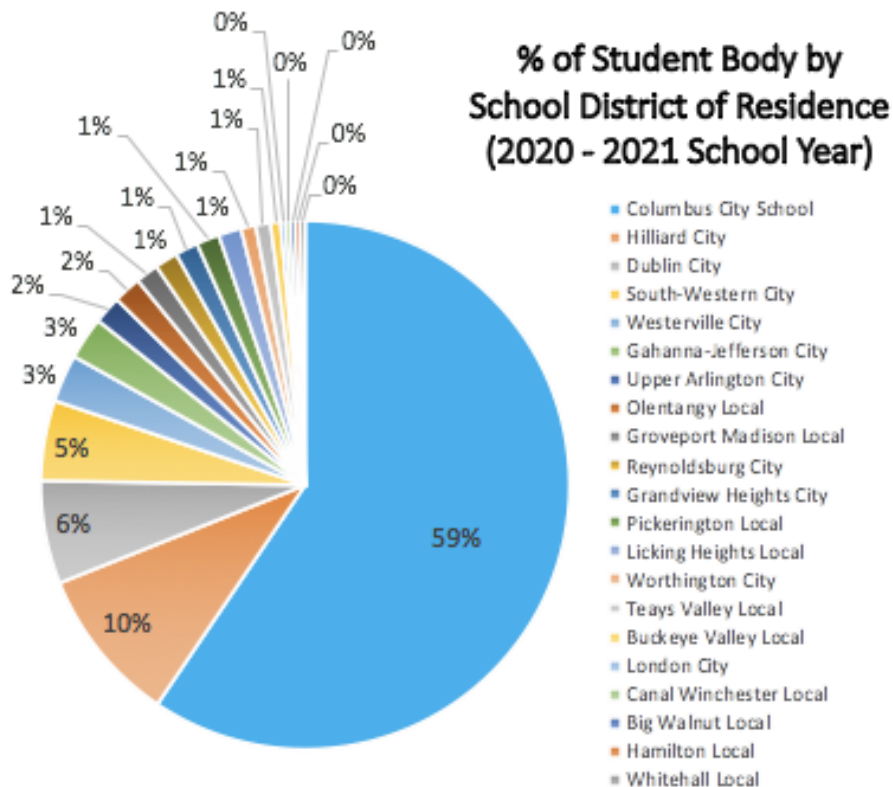

Middle School Demographics 2020 - 2021

47% Male
53% Female

Your potential. Our mission.

- 6 Counties Represented
- Over 14 different languages spoken at home

▶ Tech Applications We Use

PowerSchool

Adobe Connect

Securly

Jamf Parent

Schoolology

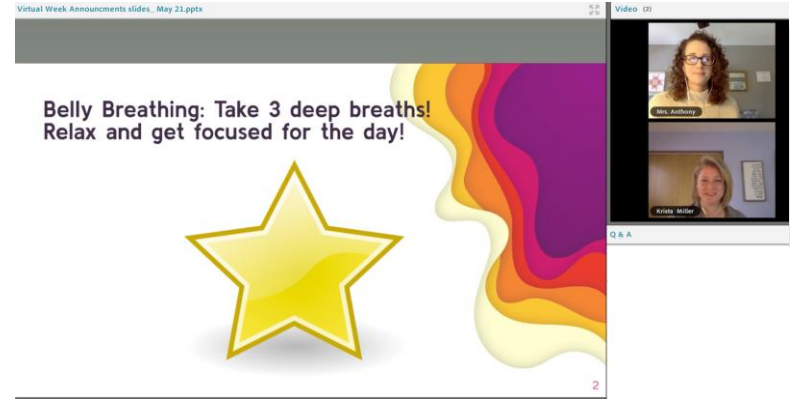

Google Suite

OnBoarding Students

- In-Building Tech Training
- Videos posted on website
- Submitting technology tickets directly to our Tech Team
- Deans / Counselors managing initial tech support when school year starts

Onboarding Families

- Videos / Resources posted to school website
- Virtual Office Hours
- Technology Bootcamp
 - Face-to-Face previous years
 - Virtual this year

Virtual Family Engagement Opportunities

- New Family Admissions Meeting
- Asynchronous Family Orientation
- Monthly Parent, Teacher, Student Association (PTSA) Meetings
- Monthly Virtual Parent Office Hours
- Metro Schools App
- Technology Bootcamp

To help ensure student success in the classroom, we also provide virtual intervention meetings for families. Stakeholders in the child's education are invited to support, problem-solve, and brainstorm possible solutions to any learning differences.

Technology Boot Camp

To provide specialized training into “all things Metro Tech”. In Tech Boot Camp families are able to learn how to log into and utilize Powerschool and Schoology, as well as learn how to utilize Securly and Jamf Parent apps to enable students to be focused and distraction-free while learning.

Tech Boot Camp Agenda

- Support for Logging into Applications
- Schoology
- Powerschool
- Securly
- Jamf Parent
- How to care for technology
