Welcome!

WELCOME!

Family Engagement Leaders of Ohio is a virtual professional learning community for family engagement professionals in Ohio's districts and community schools that brings together family engagement professionals virtually to share experiences and to learn together how we can build partnerships with all families in our preK – 12 education community.

WELCOME!

An MTSS Approach to Family Engagement

MTSS is a system
to organize our family engagement interventions and supports
so we can apply them planfully
to maximize outcomes for students.

A Tiered Approach to Family Engagement

Tier 1: Tier 1 is the universal, school-wide support system for all families. Tier 1 establishes the school culture and communicates expectations for behavior and learning. Effective universal supports should meet the needs of most **families**.

Tier 2: Tier 2 supports are programs and strategies for groups of families who need additional support. **Families** receive targeted supports, based on their needs, that are more intense and more frequent.

Tier 3: A very small number of individual families with unique challenges need interventions beyond tier 2 supports. Tier 3 supports are intensive programs and strategies for **families** with highly individualized needs. The supports are designed to meet the **family's** specific needs.

What indicates a need to change levels?

- Could be school, family, student, or community issue
- When current practices are not enough or not a good fit
- A need for a change in intensity/dose vs. change of practice
- The primary goal is to have systems in place to be responsive and supportive

A multi-tiered approach during the COVID-19 pandemic

Questions?

Applying Our Knowledge!

How could you apply this multi-tiered approach to family engagement to a new initiative or problem of practice in your school or district?

How might this serve to foster communication, build trust, and improve learner outcomes during the COVID-19 pandemic?

Sharing Out!

In that chat, please share one great idea that you heard in your breakout room.
