

Ohio Statewide

Family Engagement Center

—at The Ohio State University

Our scenario:

What are the roles for families?

Directions: For your selected scenario, brainstorm how families might be involved in different roles in the MTSS.

Initiators	
Co-Designers	
Receivers	
Providers	
Evaluators	

What will indicate a need to change levels?

Directions: Create decision indicators for your selected scenario that will signal a need for a different level of support/response.

Indicators for a Change of Intensity (How Much)	
Indicators for a Change of Dose (How Often)	
Indicators for a Change of Practice (What)
