Engage Families with S.O.U.L.

SESSION DESCRIPTION: EnvisionEdPlus has partnered with the Ohio Afterschool Network, Ohio Statewide Family Engagement Center and Carefree Education Service Group to offer education and youth/family serving leaders tools to intentionally build connections and strength-based relationships which engage families as learning partners.

Each learning session will focus on Engaging the "S.O.U.L." in Learning. S.O.U.L. represents four core components essential to deepen connections:

- Sense of Belonging;
- Ownership in Learning;
- Understanding and Valuing Families; and,
- Legacy and long-term impact of families as learning partners.

During these one-hour, live, virtual sessions, you will give yourself (and others) the tools for Engaging the "S.O.U.L." in Learning as you: Discover quick and easy activities for practicing S.O.U.L. in your daily work; Develop a strategy to replicate this training with your staff or team; and Get your hands on a totally awesome virtual swag bag with resources, tools and training options to continue Engaging the "S.O.U.L." in Learning ~ every day.

After you have registered, a confirmation email will be sent to you. It will include the Zoom link for your session.
