

State Personnel Development Grant

Impact Story

Niles City School District

District Demographics

Students Impacted	605
Families Impacted	580
Teachers Impacted	1
Administrators Impacted	0

Successes

Due to COVID-19, we have made contact with families via Google meets, personal meetings and email correspondence.

"Reading is powerful."
-Teacher

Sustainability

We plan to always include families, and we are in the process of working on a library where students can bring books home to read with their parents. We are planning an outdoor event for our families.

**"Reading makes students minds
grow and learn."**
