

# State Personnel Development Grant

## Impact Story

### Western Primary

#### District Demographics

Students Impacted	75
Families Impacted	50
Teachers Impacted	10
Administrators Impacted	1

### Successes

Successes include providing videos and resources for families to support continued learning at home. Another success is providing reading material and parent-friendly activities for students to do at home with families.

**"I have grown tremendously as an educator in the past five years, I feel so much more capable of teaching my students than I did years ago!"**  
*-Alyshia Grace, First Grade Teacher*

### Sustainability

Long-term impacts will include a collaborative continuous approach to Partnerships for Literacy and Family Engagement.
