Welcome!

Greetings!

PLEASE ADD YOUR
NAME AND REGION TO
THE CHAT BOX.

Agenda

- I. Welcome, Introductions and Ice Breaker
- II. Examining Family Engagement *Core Competencies*
- III. Network Partner Updates
- IV. Discussing Strategies from *Partnering with Families Through Special Education*
- V. Workgroup Time
- VI. Wrap up, Feedback, and Adjourn

How's it going?

On a 1-9 rubber duck scale, how are things going today?

Reflecting

In your breakout, discuss what your region is doing to accelerate learning.

How do we communicate this to families?

How should schools and families partner to accelerate learning?

Jumping in!

How do you see yourself using these?

Who Might Use The Family Engagement Core Competencies?

We envision that this document can be used by a range of family-facing professionals in a variety of contexts:

- Educators, family liaisons, and other staff in schools to assess their practice and engage in dialogue with others around family engagement topics
- Principals, professional development providers, and coaches to structure the scope and sequence of professional and continuing learning opportunities
- Faculty in educator preparation programs to develop syllabi and other course materials
- State Education Agencies to guide the development of policies, mandates, standards, and accreditation of preparation programs
- Afterschool, library, and museum staff and others in community organizations who provide families with opportunities to learn and acquire skills through their services
- Nonprofit organizations, associations, and others to develop credentialing initiatives
- Parent leaders to advocate for high-quality education in their communities and nationally

Domain 1: Reflect

Competency 1: Reflect, Honor, and Value Families

Competency 2: Embrace Equity Throughout Family Engagement

Domain 1: Reflect

What is a question that you brought from the reading?

What strategies do you use to carry out these competencies?
