Learning Targets

1

I can explain how our school can sustain a program for family and community engagement despite challenges.

2

I can explain our “why” family engagement is important to our school and students.

3

I can take our plan to the next level based on feedback.

Agenda

- Welcome and Introductions
- Share a Joy from your school
- Conversation with Dr. Epstein:
 - Taking our programs from Good to Great
- Our Why and Our Way
- Peer to Peer Feedback for School Plans
- Final comments and encouragement with Dr. Epstein
- Evaluate and Depart

Conversation with
Dr. Epstein

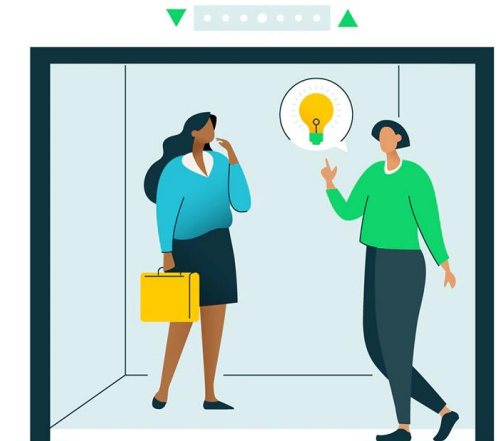

5 Whys

Our Why & Our Way

Name your school team and/or your approach

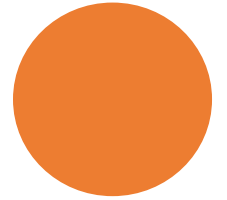

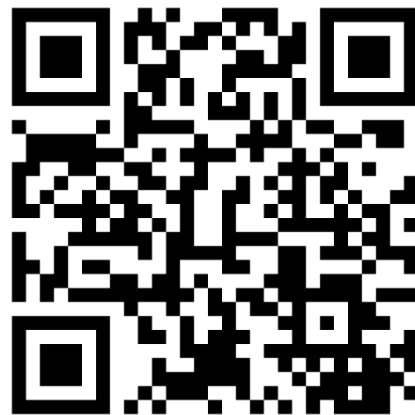

Write an “elevator pitch” describing your WHY for your approach to family engagement

30 seconds

- Clear language
- What we believe about family engagement
- What we are doing
- What they can do: an invitation

Copy this bar code and
share your name and pitch
on Menti Meter

Pair and Share

1. First school, share your action plan for one goal – a work in progress (4 minutes)

Second school listens for opportunities for taking this plan from Good to Great.

3. Second team - Ask questions, offer suggestions (4 minutes)
4. First school summarize (2 minutes)
5. Switch for 10 more minutes!

Closing comments and encouragement!
