Steps to Partnership:

Please follow these steps:

1. **School leaders**, register your school and gain access to premium content for district leaders, school leaders, and school Partnership Teams.
2. **District and school leaders**, complete self-paced modules 1 & 2 sent to your email upon registering.
3. Once complete, **school leaders**, **organize your school Partnership Team** and get started using module 3 and facilitator materials sent to your email.
4. Finally, lead your team in creating your Annual One-Year Action Plan utilizing the fourth and final module sent to your email.
5. **Welcome to the Ohio Network of Partnership Schools!** Participate in ongoing activities and supports. Learn more at ohiofamiliesengage.osu.edu/onps

Ohio schools are ready for more effective partnerships

with families that support all students. Partnership Schools take this commitment seriously, developing leaders and school Partnership Teams. Take your family-school engagement to the next level with the support of the Ohio Statewide Family Engagement Center.

What's the evidence?

The National Network of Partnership Schools at Johns Hopkins University has developed this evidence-based model for family engagement with decades of research. The Ohio Statewide Family Engagement Center is a regional hub for advancing the Partnership Approach for Ohio schools.

We're here to help you build momentum and expand to reach more families! The Ohio Network of Partnership Schools provides coaching, 2-annual professional learning sessions, and monthly virtual networking - all at no cost to schools.
