# OhSFEC Professional Learning

Our vision for professional learning in family engagement is to **bring research to action** through **high-quality professional learning opportunities** based on **adult learning and family engagement principles**.

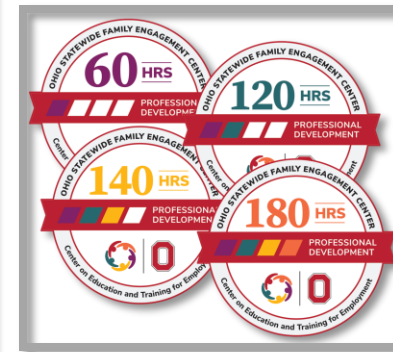

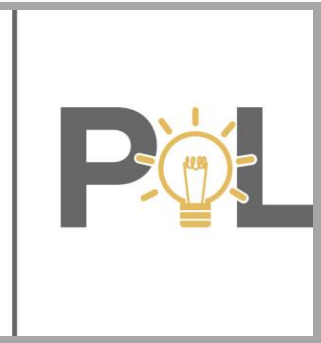

# OhSFEC Professional Learning

We envision professional learning that **excites and inspires** education professionals, families, and community partners and provides opportunities to **design, develop, and use tools and strategies** they need to work together, so all children have success in learning and life.

# Accessibility

## Purpose:

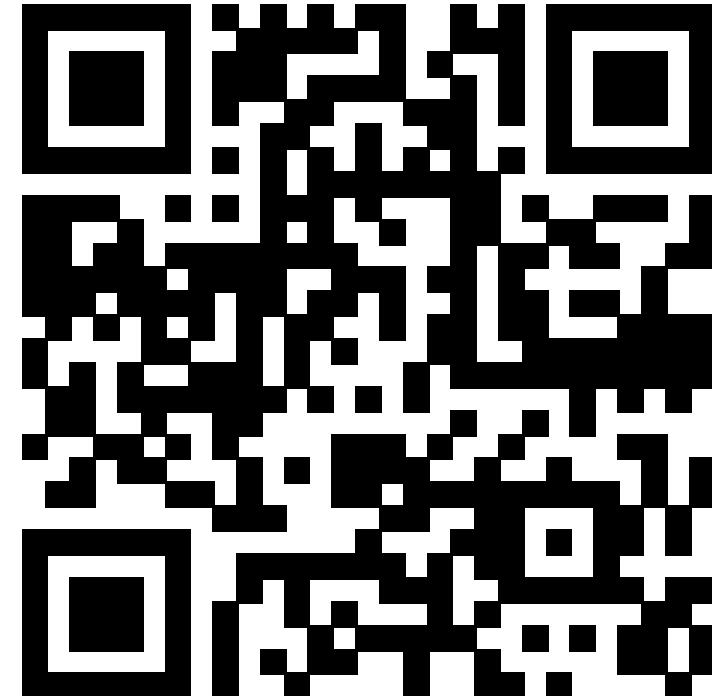

To plan and anticipate needs to prevent barriers from the onset.

It is what we do as proactive measures to make content available to all users, including individuals with disabilities.

# Accessibility

- Color contrast
- Alt text
- Fonts
- Minimize animations/transitions
- Limit text on slides (6 words/7 lines)

**Cross off five words from your list.**

**Now, eliminate two more.**

**You are left with your top 3 Core Values.**

# My Vision for Professional Learning

*My core values are...*

# My Vision for Professional Learning

*My definition of professional learning...*

# My Vision for Professional Learning

*I engage with families because...*

# My Vision for Professional Learning

*I know I'm effective in leading  
professional development...*

# My Vision for Professional Learning

*I hope that as a result of professional learning, this will be true:*

# My Vision for Professional Learning

*From these individual answers, write one paragraph articulating your vision for professional learning in your role and context.*

# Professional Learning Waterfall

**Add your professional learning vision statement to the chat.**

Then, reply to the person whose statement appeared just below yours. *(Click on their name in the chat to send a private message.)*

✓ What “wows” me about your vision statement is...

# Reflection

*Head* – What are you thinking about?

*Heart* – What is something that is inspiring you?

*Hands* – How are you considering applying this?
