

## JOIN THE NETWORK!

The National Network of Partnership Schools at Johns Hopkins University has developed an evidence-based approach to family engagement with decades of research. The Ohio Statewide Family Engagement Center is a regional hub called the **Ohio Network for Partnership Schools**. Follow these simple steps to implement the model in your school and be supported by a network from across the state!

1

**Register** – School leaders will register on our website. Once you sign up, you and your district leader will receive Module 1 and 2 to complete at your own pace.

2

**Build Your Team** – Organize your school Partnership team and complete Module 3 together. A facilitator script and guide is included and will help you prepare for your first team meeting.

3

**Take Action** – Use Module 4 to guide your school Partnership team in creating an Annual One-Year Action Plan.

4

**Welcome to the Network!** Throughout the year we may request updated contact information, de-identified team rosters, annual one-year action plans, and completion of spring surveys.

Upon completion of modules, school leaders will receive 20 contact hours. School Partnership Team members will receive 10. District leaders will receive 5. Visit our network page at [ohiofamiliesengage.osu](http://ohiofamiliesengage.osu) or contact us at [OhioSFEC@osu.edu](mailto:OhioSFEC@osu.edu) to learn more.
